SPECIAL ABILITIES

Leadership 3: While this model is in play you get a +3 to your initiative roll.

Charge!!: This model may charge for only 1 ACT.

By Example: If this is the first model to activate for your team, all other friendly models gain the Charge!! SpAb (see above).

WEAPONZ

Shield: After a successful hit, this model may target another model within 4" of the last target. Make a new attack against the new target. This can keep generating hits until a miss is rolled or this model ends the attack. The shield may only target a model once per Action.

TALENTZ

Boy Scout: Friendly models currently in play may each choose one of the following items: a Grenade, a Med Kit, or an Extra Clip.
