SPECIAL ABILITIES

Scrappy 6: When this model's last BP circle will be filled, roll a D10. On a 6 or higher do not fill the BP circle.

Flight (6): This model may fly up to 6" in any direction—horizontal, vertical, or diagonal—as a Move Action. While flying, it ignores terrain, obstacles, and other models. The model may land on top of terrain up to 6" high, as long as there's enough flat space for its base. This ability may be used during a Charge (2 ACTs), following all normal Charge rules.

WEAPONZ

Iron Fist: This weapon causes 2 Damage. On a successful Melee hit (even if Damage is not taken) this model may choose to move the target directly away D5".

Heavy Gatling: This weapon causes 2 Damage.

Rocket Pod (7) (BW2): This weapon does 2 Damage to closest target (if tie, this model chooses) and 1 Damage to others hit by the blast.

For' Armz: This weapon's missed-to-hit rolls may be rerolled (excluding Nat 1s). Rerolled result must be used.

TALENTZ

War Machine: This model makes 1 Shoot Action with each Weapon with no Ammo needing to be spent. Model may Target separate models for this.
