SPECIAL ABILITIES

Leap (5): This model may leap up to 5" in any direction—horizontal, vertical, or diagonal—as a Move Action. While leaping, it ignores terrain, obstacles, and other models. The model may land on top of terrain up to 5" high, as long as there's enough flat space for its base. This ability may be used during a Charge (2 ACTs), following all normal Charge rules.

Small Target: Models targeting this model with a Shoot action suffer a -1 to their RCA.

WEAPONS

Forceful Push: This Weapon does no Damage, but on a successful Hit, the Target model is pushed up to 5" whichever direction this player decides. On a roll of 10, the target model is -2 SPD until the end of its next activation.

Slinger: This Weapon does no Damage, but on a successful Hit the Targets MCA/RCA is -1 (Goo'Goo choice, does not stack) until the end of the Target models next Activation.

TALENTS

Hand Thingy!: Goo'Goo may heal a total of 4 BP to any models (including Goo'Goo) within 6". (This may be 4 BP on a single model or spread across up to 4 models).
